"Living in Holland is a fascinating and wonderful experience. It's something I'll certainly never forget. I've found that it goes beyond windmills, wooden shoes, and little boys with their fingers in a dike. There's a silent kind of progress going on here. The new coming in with a respect for the old. I suppose Holland is small, but by no means in the negative sense. But her people are the same as you find anyplace. She's warm and hospitable, and it will be hard to leave after a year. However, the greatest part about coming here for a year, is looking back and realizing what I've got at home. Thanks to Holland I saw the United States for the first time."

— Ruth Ann Farnsworth

## SENIORS ABROAD

"An American—beginning, just beginning to view a foreign land through native eyes. Mounds of sand carefully tilled and watered, bringing to Israel a new hope for the future. The dust has become fruit groves, gardens, farms, towering buildings, and a great source of pride to the people."

"An interest, a drive to achieve, an unequalled unity, a warmth—a people—Israel."

— Sydney Blum

# STUDENT COUNCIL

The Student Council has functioned this year in the belief that it is not merely an experiment in government for a chosen few. With the support of the administration, faculty, and students, it can be the focal point for the growth of school spirit, the understanding of political process, and the promotion of the school's reputation. Members feel that every action of the Council should be aimed at the achievement of these goals. Serving as advisers to the Council are Mr. Leo Kiely and Mr. Alvin Fish.

FIRST ROW-N. Migonis, K. McGregor, D. Marcellus-Treasurer, C. Jones-Vice-President; SECOND ROW-M. Barnett-Secretary, T. Jones, J. Reynolds, E. Ray, A. Lahue, D. Chapman-President

## HONOR SOCIETY

Selling brownies during lunch periods is not the only aspect or purpose of the Hamilton Chapter of the National Honor Society. Its members, having been chosen on the basis of character, service, leadership, and scholarship, are involved in activities to promote these values throughout the school: maintaining a bulletin board, sponsoring student assemblies and student-teacher days. Members are responsible for the late-winter induction of initiates from the Junior Class. They are making plans for an instructional and recreational trip, using funds raised in the daily sale of brownies. Mrs. Alice Adams is the Society's diligent adviser.

## ALMEDAS

"Bigger and better" tells the story of the Almeda Literary Society of 1967-1968. Eighteen girls, portraying "Alice in Wonderland" characters, were initiated on October 4. Two successful bake sales boosted the treasury—and plans for the annual Almeda Ball. Miss Isabelle Faucette serves as adviser to the 40-member organization which is pledged to promote all that is best in Hamilton High School activities, especially in the study of literature.

# MASQUERS

With two of their members abroad this year, the activities of the Masquers Society have been limited. Nevertheless, the group helped in the production of the musical, "Brigadoon," presented in the Spring. Plans were made for the induction of members, and it was proposed that the system of qualification for membership be revised. The Society is under the guidance of Mr. Ivan Smith.

## BAND

Mr. William Knowlton

Band members are on the go the year round: During the past summer the HCS Band, resplendent in new uniforms, marched at the Erie Canal celebration in Rome and in the Jamboree parade, played in six weekly community concerts, and traveled to Saratoga Springs to hear the Philadelphia Philharmonic at the Performing Arts Center. Came September, and the Band took part in the annual Band Day at Cornell and played and performed precision drills at the Emeralds' home football games under the lights. The Pep Band helped to boost team spirit before each game. Then came the Spring Concert and county and state contests for soloists, ensembles, and the entire Band under the able direction of Mr. William Knowlton.

## ORCHESTRA

Under the direction of Mrs. Evelyn Waas, the Hamilton Central School Orchestra won a 5A rating at the New York State Music Contest in the Spring of 1967. This is the highest award the whole Orchestra has won, and the quality has been maintained in Christmas and Spring Concerts. A number of the Orchestra members has participated outside the school in related events. This year, two of its outstanding members attended All-State at the Concord Hotel on Kiamesha Lake. Four attended Area All-State at Mohawk, and eight players participated in the Colgate University Chamber Orchestra. The Senior Orchestra of 1967-1968 has shown itself to be one of the strongest in the history of Hamilton High.

Mr. Peter Potter

The Senior Chorus has done a fine job for us this year, thanks to the time and effort on the part of their director, Mr. Peter Potter. The group has increased in both quantity and quality, and shows fine potential for continued expansion in both aspects. Highlights of the year were the Christmas and Spring Concerts, when the Chorus shared the spotlight with the Band and Orchestra. As its major year's work, the Chorus presented Lerner and Lowe's popular musical, "Brigadoon," in the Spring.

## CHORUS

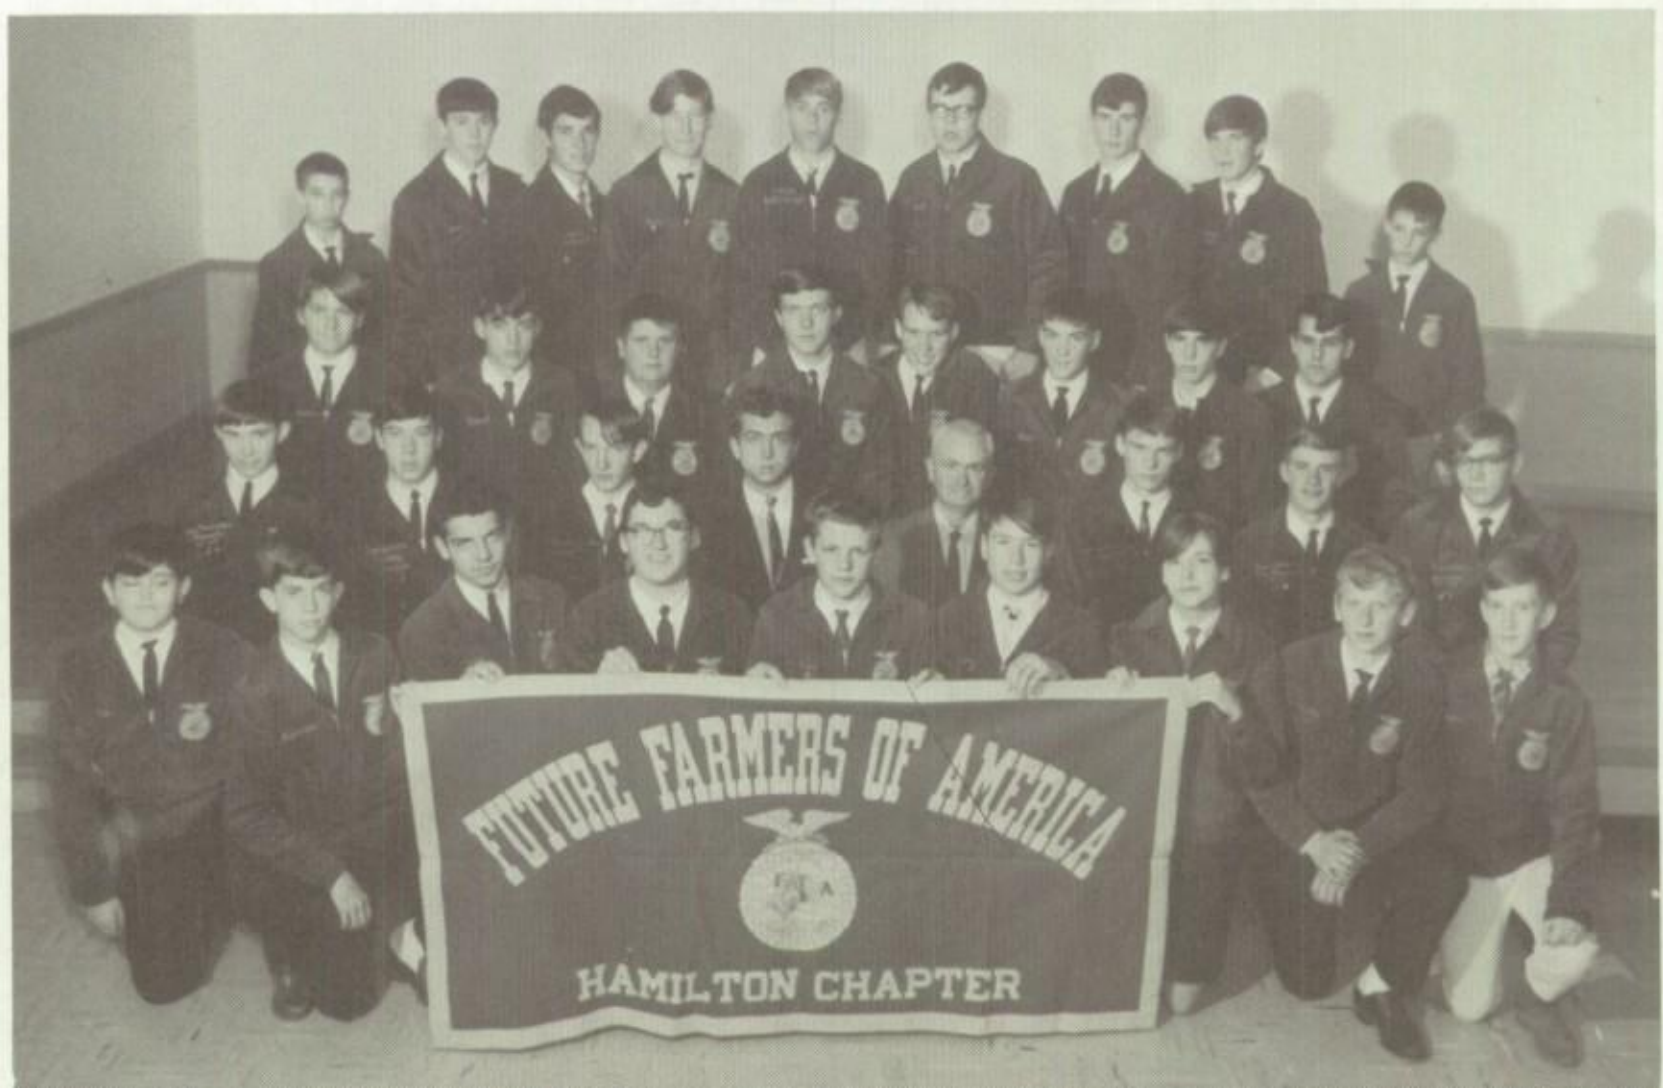

# FUTURE FARMERS OF AMERICA

The Hamilton Future Farmers of America Chapter was again recognized as the top chapter in New York State, and received the Gold Emblem Award from the National FFA. One of the highlights this year was the election of Richard D. Jones as National FFA Vice-President, of the Northeastern Region. This is the first time the local chapter has had a national officer. Seven members attended the American Institute of Cooperation Convention at Purdue University, representing the Northeastern Region. Six members

attended the National FFA Convention at Kansas City, Missouri. Projects undertaken this year include the construction of a golf green on the athletic field, removal of culled trees and planting replacements on school property. The FFA Cattle Show was held in October this year.

Future Homemakers of America is an organization for home economics students. Every individual member counts; each one has a special contribution to make to the chapter. Through group cooperation, the chapter can achieve many goals that an individual cannot. Teenage members and adults can work together, each gaining from the other. Members work together to help individuals improve personal, family, and community living. Some of the yearly projects sponsored by the FHA are the Faculty Tea, the Senior Girls Punch Party, a bake sale, and the Mother-Daughter Banquet. Mrs. Jean Palmiter serves as advisor to the group.

# FUTURE TEACHERS OF AMERICA

Exemplifying the stated purpose of the Future Teachers of America — to take a realistic look at teaching, its many opportunities, challenging problems, essential nature, and services to humanity — members of the Hamilton chapter planned this year to continue their practice teaching program. This program includes building a picture library to aid the elementary teachers, as well as actual classroom observation. New members were recognized at the annual faculty dinner sponsored by the club members. Advisers for 1967-1968 were Mrs. Norma Edding, Mrs. Betty Jones and Miss Javene Young.

# COLGATE

## SEMINARS

Hamilton is one of the many area schools which participate in the seminar program offered by Colgate University each year. During the summer, students spend six weeks studying two courses in much greater detail than is possible in High School. Ten Seniors meet every other week during the school year with Colgate Professors to learn about everything from Asian Religions to Outer Space.

FIRST ROW-W. Gallik, G. Huggens, D. Chapman, T. Dresser, W. Blanchard; SECOND ROW-A. Lahue, D. Stan, B. Hou, N. Migonis, D. Balmuth, A. Adams

The Colgate University Chamber Orchestra was organized only three years ago. Being a new organization, it invited talented Hamilton High School musicians to supplement the Colgate Students and Faculty members. The Orchestra has gotten off to a very good start. In addition to concerts by itself, the ensemble accompanies performances put on by other University groups. The outstanding performance this year was Carl Orff's opera, "The Wise Woman."

The Majestics made their first public appearance in glittering new uniforms — made by the girls and their mothers — at the first home basketball game with Sherburne, and the very next night appeared in their first competition of the season — at Sherburne! This year the group is divided into Senior and Junior units with the younger girls wearing the original uniforms of green and white corduroy. New equipment has been purchased, and the girls have made new flags. Mrs. Kathryn Tei is the advisor, and Dennis Wallace, assisted by Charles Cornell, is the instructor.

## JUNIOR COLOR GUARD

FIRST ROW-R. Jones, L. Shoemaker, M. Loop, L. Shor, B. Shoemaker, T. King; SECOND ROW-C. Mellor, M. Lamb, T. France, S. Lamb, L. Tenhope, L. Hodge, C. Loop

## SENIOR TWIRLERS

FIRST ROW-B. York, P. York-Treasurer; SECOND ROW-T. Koen-Co-Captain, K. Crouch, D. Marcellus, C. Edgett-Secretary

The Twirlers are much more active than a lot of us realize. They march with the Band at home football games, and sometimes put on their own show during halftime. They also perform at basketball games. Besides using the regular batons, this year the girls have twirled with batons lighted with colored lights and fire. They have also used pom-poms on a couple of occasions.

## PRESS CLUB

A Press Club innovation this year was the weekly Register which was mimeographed and distributed to faculty and students in Kindergarten through Grade 12 for take home information. Besides a calendar of events, the one-page Register included a "Did You Know?" column of school news. Members continued to report school events and sports for the Hamilton School News section of The Mid-York Weekly, and they contributed to the "Youth Post," a weekly eight-page tabloid section of the Syracuse Post-Standard. Miss Faucette is the Press Club advisor.

## HAM RADIO CLUB

Mr. Prindle, a ham operator for several years, is advisor to the HCS Ham Radio Club which meets once a week in the Industrial Arts Shop. The Ham-sters study radio theory and the Morse Code. Many of the members hope to pass the test for their ham radio licenses; some have ham radio equipment at home. Visits to other ham groups are another activity of this group of radio enthusiasts.

FIRST ROW-P. Joerger, G. Ross; SECOND ROW-D. Warren, R. Adair, J. Koen; THIRD ROW-P. Nilsen, J. Hudson

## SKI CLUB

A relatively new group in school, this year's Ski Club was very active. Mr. Gary Rider, the group's advisor, helped the eager ski fans to have a most exciting winter. With lots of practice and some lessons behind them, some of the members took part in area competitions. The group also took a few trips to area ski slopes, which provided more of a challenge to the more advanced skiers.

This year's Hamilton Hi-Lites, broadcast over Colgate's WRCU, has proved even more successful than before. HCS students have devoted one and a half to two hours a week at the radio station in Spear House, preparing their material, timing the program, and putting it on the air. Air time is 5:30 p.m., five days a week. The show's purpose: to inform area residents of upcoming events of interest to the Hamilton community.

## ART CLUB

The Art Club is a relatively new organization, this being its second year. Meetings are held in the morning before school for breakfast. The members see films on great painters and art, help the cheerleaders with posters, and sponsor art exhibits, all with the assistance of their advisor, Mr. Alvin Fish.

FIRST ROW-C. Guilmette, T. France, P. White-Vice-President and Treasurer; SECOND ROW-P. Burke, J. Wheaton, J. DuPont, D. Burns; THIRD ROW-T. Brazee-Secretary, F. Benedict, D. Young, D. Chapman, L. Carr, K. Nelson, S. Hartshorne-President

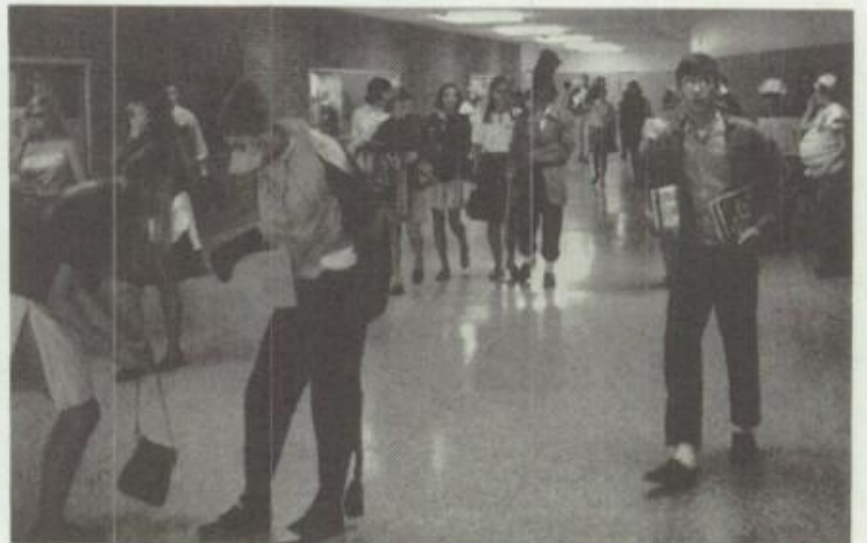

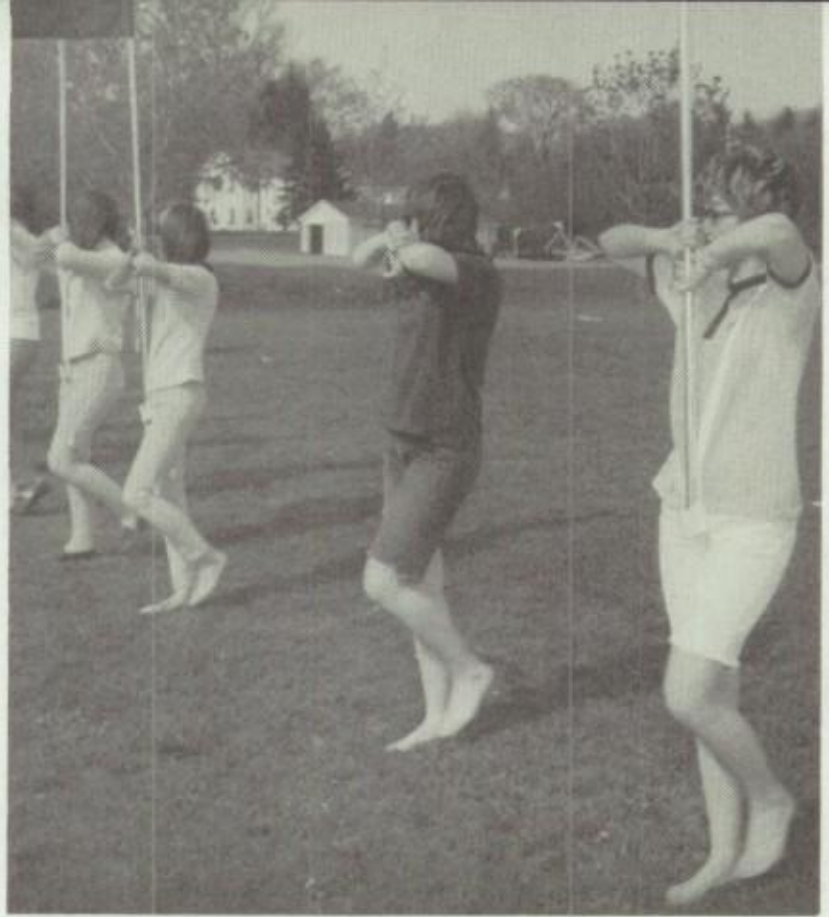

## MATH CLUB

The Math Club holds regular meetings throughout the year. At these meetings, members work on problems and improve their speed and accuracy. A team of students is selected from this group to represent Hamilton in the Madison County Mathletics League. A group also attends the annual math contest at Manlius. In addition, some of the group take the test put out by the Mathematic Association of America every year. Mr. Howes is the club's enthusiastic advisor.

With its 6-2 record, the 1967 Emerald football team had its best year under Coach Bruce Lamb. The two games which Hamilton lost, New York Mills and Sherburne, might have gone Hamilton's way if it weren't for a few bad breaks.

The passing attack was led by Co-Captain Tom Jones. Jones completed 53 out of 111 passes for 855 yards. 18 of those passes were to End Fred Howe for 311 yards. Co-Captain Bryan Reuter had 197 yards on 13 receptions. End Kip McGregor had 11 receptions for 167 yards and Wingback Ron Dorgan had 139 yards on 7 catches. End Jim Leland and Fullback Buz Collins had 3 and 1 receptions respectively.

The rushing offense gained 1178.3 yards on 346 carries. Halfback Reuter and Collins led the team in rushing. Reuter had 555 yards on 150 carries and Collins had 365.5 yards on 105 carries. Collins put on a fine performance blocking, too. Jones had 139.8 yards on 27 carries and Steve Frawley and Dorgan had 41 yards apiece.

In scoring, everyone got into the act. Reuter was first with 52 points, including 7 T.D.'s, Jones had 38 points, Howe had 30, Collins 21, Frawley 12, Dorgan and Leland had 6 points apiece.

The strong defense had many standouts. Guard Matt Nilsen had 6 fumble recoveries to lead in that department. Collins and Todd Dresser led in tackles with 90 and 60 respectively. Dresser and Jones led in interceptions with 2 apiece.

Tackles Neil Rollins and Dan Murphy, who played both ways, consistently came up with the big play. Dean Chapman came along late in the season to help the team.

Next year's team can look forward to a fine season. Juniors Gary Gray, Steve Jones, Dave Risley, Dana Chapman, Steve Shablak, John Carr, and Jim Leland provide a strong nucleus for a successful football season.

# JUNIOR VARSITY

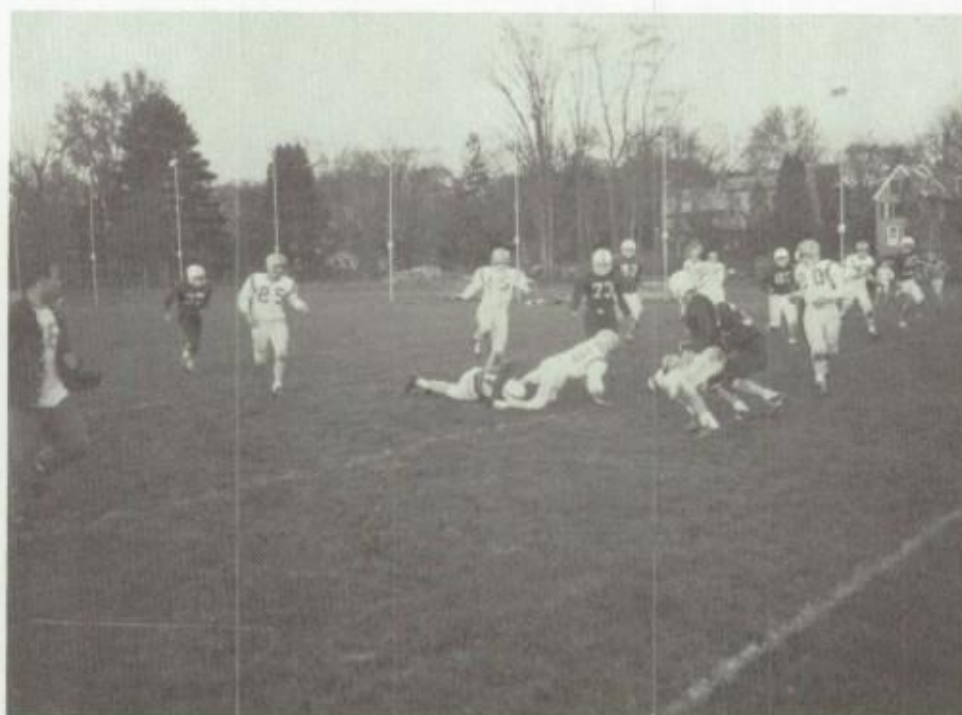

FIRST ROW—C. Whipple, J. Blanchard, D. Nilsen, D. James, W. Harris, D. Horton, J. Halloran, R. Trudeau; SECOND ROW—Coach Bowers, Coach Palmiteer, D. Lamb, R. Holt, J. Reynolds, W. Samuels, R. Lamb, D. Smith, F. Ogden, M. Bindner, A. France, B. Kiely

It was an undefeated Junior Varsity football team that was coached by Mr. Allen Bowers in 1967.

During the season, the JV's overcame Sherburne twice and subdued Westmoreland, a much bigger school. Waterville was another of the insuperable JV's victims. In the season finale, Hamilton crushed Richfield Springs to cap the lid on a very successful year.

John Halloran, John Blanchard, Randy Holt, and Don Lamb will be back next year with the hope of maintaining the JV's winning streak.

The Hamilton Varsity can look forward to a fine season with the addition of Mark Lamb, Dave Gillmore, Don Marcellus, Barclay Potter, Dennis James, and Doug White — all veterans of this year's undefeated Junior Varsity squad.

FIRST ROW-G. Mlasgar-Manager, B. Reuter, E. Ogden, F. Crumb, B. Collins, J. Rice, D. Scarlett, B. Howe-Manager; SECOND ROW-F. Howe, K. McGregor-Co-Captain, T. Tupper, T. Jones-Co-Captain, D. Risley, T. LeRoy, D. Marcellus, Coach Mlasgar

## BASKETBALL

Led by co-captains Tom Jones and Kip McGregor, the Hamilton Varsity basketball team got off to its best start in a number of years.

Hamilton battled to a 5-2 record and sole possession of third place in the Center State Conference with only one game remaining in the first round of games. Coach Mlasgar did an excellent job of putting a talented but inexperienced squad together.

On the team there were at least 8 players of equal ability. The team was led by Doug Marcellus, the team's leading scorer, and Tom Jones, a fine rebounder and defensive player. Another leader was Kip McGregor, an all-around shooter who could break a game open at anytime. Bryan Reuter, an all-around player, and Buz Collins, a good defensive player, were other valuable additions. The bench was very strong and had some fine players who were able to start in case of injury. Senior Fred Howe and Juniors Steve Jones and Tom LeRoy all saw a lot of action. They had speed and all-around basketball ability. The other four players who rounded out the squad were Senior Skip Scarlett and Juniors Frank Crumb, Tim Tupper, and Eugene Ogden.

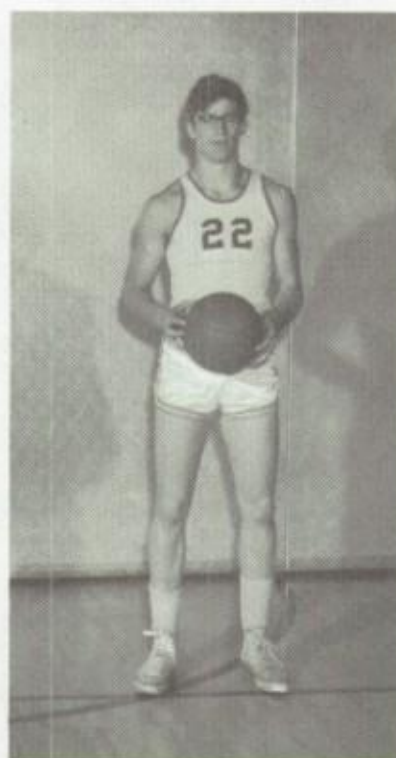

The most exciting game came when Hamilton played New York Mills. Hamilton was down 12 points at halftime but came back to take the lead; they were edged out in the last few minutes.

Under the more than able coaching of Mr. Mlasgar, Hamilton can look forward to a winning season next year.

# JUNIOR VARSITY

FIRST ROW-R. Jones, A. Lahue, E. Ray-Captain, B. Kiely, J. Halloran, S. Ripley; SECOND ROW-Coach Young, W. Gallik, R. Lamb, D. Marcellus, M. Lamb, D. Lamb, A. Blinebry, J. Reynolds, S. Fisher

The Hamilton Junior Varsity basketball team has fought to a 4-3 record with only the Sauquoit game remaining the first time around.

Under Coach Young, the JV's are a well balanced club. Mark Lamb, Don Lamb, and Al Blinebry provide the rebounding needed. Eddie Ray contributes good play-making and leadership abilities. Wayne Gallik and Stan Fisher are valuable for their fine shooting.

Don Marcellus recovered from his injury quickly and added a lot to the strength of the team.

The JV's should complete the season in fine shape as they have gained valuable experience early in the year. Coach Young has done a fine job with his young team.

They have won a couple of their games with narrow margins and were forced into a double overtime against Waterville.

# HOCKEY

The 1968 Hamilton High School hockey team, under the leadership of Coaches McArthur and Estes, got underway on its best season since they entered the league three years ago. Led by Co-Captains Ron Dorgan and Jim Plesniarski, the HHS pucksters had a potent offense and a strong defense, as shown by the first two victories of the season. They had the spirit and desire needed to win and were hopeful of capturing the league crown. Starting conditioning consisting of weight-lifting and running in Mid-November, and getting on skates in early December, the Emerald icemen improved a great deal over last year. With four of the six starters returning next year, including three sophomores, the future seasons look bright.

FIRST ROW-T. Wilder, E. Ray, Coach Halloran; SECOND ROW-D. Horton, D. Swenson, K. Lancaster, D. Gillmore, S. Elder, G. Edgett

Under the leadership of Mr. Halloran, the 1967 golf team stroked its way to a 5-4 record, paced by the individual performances of Seniors Gary Edgett (Captain), Scott Elder, Dick Horton, Tim Wilder, and Freshmen Eddie Ray and Dave Gillmore. Other members were John Fisher and Kevin Lancaster, both Seniors. Hamilton again went to the Sectionals, placing third at Cooperstown, surpassed by only V.V.S. and Cooperstown. During the summer, Elder and Horton, who led the team in points, took low medalist in their respective qualifying areas, and went on to compete in the New York State Junior Amateur Championship. With the loss of four three-year veterans, the team—young, but eager—will have to work hard in 1968.

FIRST ROW—M. Migonis, P. Hickey, G. Migonis, T. Depta, B. Vaughn, A. Rollins, T. Jones, S. Hengst, F. Howe; SECOND ROW—S. Jones, D. Lamb, Coach Lamb, W. Gallik, E. Ogden, B. Terrell, B. Sollien, T. Leroy, R. Cook, A. Jones, L. Trudeau, D. Frederick, B. Reuter, D. Chapman, T. Dresser, J. Loop

## TRACK

Last spring the track team, under Coach Lamb, had its biggest turnout in a number of years. Six returning lettermen formed a strong nucleus for the otherwise inexperienced squad.

In the 100-yard dash Leon Trudeau usually came through with 1st or 2nd place. Tom Leroy, also running the 100, tied the school record at the league meet. Tom Jones reigned supreme in the 220 and Fred Howe and Al Jones generally placed for points in the 440. Steve Jones and Dean Chapman, two novice runners, were a pleasant surprise in the 880. Doug Frederick, with hard work finished 2nd in the League meet in the mile — less than a second off the school record. Brian Reuter and Ron Cook did their share in the two-mile. In the League meet Trudeau, Steve Hengst, Todd Dresser, and Jones came off with top honors in the 880-yard relay.

## BASEBALL

Although hindered by inexperience, the 1967 baseball team under Coach Young did a fine job. The team won only 3 out of 10 games, but one victory was over Sherburne, the leading team in the league.

Craig Dickinson, Greg Migonis, Jim Griffith, and Allen Jones were the only returning players with much game experience. Dickinson led the team in batting average with .389, and Doug Frederick had the most runs batted in with 7. There is hope for a stronger team in the spring of 1968 with the return of Seniors Dean Chapman and Kip McGregor and Juniors Doug Marcellus, Steve Jones, Dana Chapman, Jim Leland, and Steve Shablak.

FIRST ROW-B. Burke, B. Potter, J. Frawley, G. Halloran, C. Dickinson, G. Reuter, B. Zigon, D. Chapman, T. Depta; SECOND ROW-Coach Young, D. Chapman, S. Shablak, D. Frederick, D. Marcellus, J. Griffith, A. Jones, K. McGregor, G. Migonis, R. Mordus, J. Leland

## **VARSITY CHEERLEADERS**

FIRST ROW-P. Trudeau, K. Keefe, K. King, M. Jones, M. Elder; SECOND ROW-M. Barnett, S. White; THIRD ROW-K. Jones, B. LaGreca-Captain, A. Sastri

This year the two cheerleading squads, under the leadership of Miss Sandra Weeden and Captains Betty LaGreca and Tina Dresser, worked hard to carry out their role at the athletic events. These girls strive to promote school spirit among the members of the student body. Although they have no season or record, the cheerleaders are some of the peppiest girls in the school. These girls are selected on the basis of poise, appearance, coordination, and jump.

# GIRLS' SPORTS

The Girls' Sports Council, under the leadership of advisor Miss Sandra Weeden and President Chris Jones, is made up of representatives from grades seven through twelve. The Council is responsible for the organization of inter-scholastic play-days and for providing scorers and timers for the girls' varsity team games. Also, they work to promote school spirit by making signs for the boys' varsity games. Each year new representatives are selected by their classmates to serve on the Council.

## SPORTS COUNCIL

FIRST ROW-M. Koen, J. King, D. Gallik, L. Smith, E. Dresser, P. Piper, E. O'Brien, P. White; SECOND ROW-C. Gibson-Treasurer, A. Sastri, L. Yackel, C. Jones-President; THIRD ROW-S. McGregor, K. Keefe, S. Hance-Secretary, K. King-Vice-President, B. LaGreca

# HOCKEY

The Girls' Field Hockey team scooped, flicked and drove its way to a successful season. This is the first year that the girls have had a winning team; they ended their season with a 4-1-1 record. Under the direction of Coach Sandra Weeden, the girls worked hard, exhibiting drive and determination.

Leading the team's offense were Mary Ann Elder, Barb Hammond, Patty Hoffman, Chris Jones, Marilyn Jones, Sue McGregor, Taber Shirley and Sally White. The Defense positions were manned by Linda Hahnle, Kathy Jones, Karen King, Lolly Muller, Posie Trudeau and Lisa Yackel.

FIRST ROW—M. Jones, B. Hammond, S. McGregor, R. Trudeau, M. Elder, K. Jones; SECOND ROW—T. Shirley, L. Muller, L. Yackel, P. Hoffman, L. Hahnle, K. King, J. Strafella, C. Jones, S. White

The girls' intramural program, run by the Girls' Sports Council, offers a wide variety of seasonal sports for its participants. The girls have a chance to learn and play such sports as field hockey, basketball, bowling, volleyball and softball. Hopefully, tennis and golf will be added to the agenda of spring activities. In each sport, a varsity team is chosen to compete with teams from area schools.
